The Court also directs the Monitoring Team to include in the proposed agenda for the status conference, due to be filed by April 25, 2022, at 12:00 p.m. (noon), the content and status of the implementation plan referred to in the April 20, 2022, status report (including specific steps the

City and the Department of Correction plan to take and the relevant timelines). (See docket entry no. 445 at 7.)
